

Susan Carpenter

Ordained to the Priesthood in the Episcopal Church

January 17, 2009

And we were all so proud!!! About 30 people from Trinity travelled to St. John's, Barrington for Susan's ordination to the Priesthood. It was beautiful! It was glorious! It was tremendous! It was profound & moving & inspiring & breathtaking! Congratulations, Susan! And congratulations to all the Trinity folk who have served as extended family, friends, cheerleaders, mentors, teachers, and "midwives" to Susan in a process that began way, way before ANYONE recognized what was happening!

The reception at St. John's was beautiful and delicious! Trinity provided half the sandwiches... OK, IGA made the 24 dozen sandwiches... We just paid them to do it! Anyway, several of our people jumped right in to help out in the kitchen & hall, which both surprised and pleased the St. John's people.

And here's some more GOOD NEWS: Susan is coming home to Trinity to celebrate the Holy Eucharist and preach at both Sunday morning services on February 15th! Afterwards, we'll gather in Aldrich Hall for a breakfast/brunch AND to present Susan with congratulatory gifts from her "home parish." So, mark your calendars now: Sunday, Feb. 15th.
